OTHER TRAINING INFRA STRUCTURE

SURVIVAL AT SEA CENTRE :

Initiated in the year 1981 by the Directorate General of Shipping the first Survival at Sea Course designed to train seafarers in basic survival techniques at sea was launched on National Maritime Day with the training of a batch of seamen from Mogul Lines. Later in 1985 davits were added and the far more advanced courses in Proficiency in Survival Craft were also introduced for Officers of the Merchant Marine. The Establishment is a member of the International Association for Safety & Survival Training (I.A.S.S.T.) & Global Met.

MARITIME FIRE FIGHTING COMPLEX :

Inaugurated in Feb 1984 the first centre for training both Crew and Officers of the Merchant Marine in Fire Fighting Courses as

stipulated by the STCW Convention of the International Maritime Organisation was established. It has on its ground two double storey ship's mock-up structure where actual "Fire at Sea" conditions are simulated to give the trainees exhaustive training in prevention, control and fighting of fires.

MARINE MUSEUM :

Established in the year 1912 by the late Sir Mohamed Yusuf, India's oldest Maritime Museum was initially started as an institutional Museum attached to the Marine School. Over the years it grew into a full fledged Museum. It is housed in the residence of the late Haji Ismail who is reputed to have acquired it from one of the members of the famous Wadia family, the Master ship builders of Bombay. The ground floor galleries are devoted to the History of Indian Shipping from the earliest days. There is also a gallery set aside for Marine Ecology. The first floor contains the history of the Bombay Steam Navigation Co., the Training Ship Rahaman and one gallery on the Story of Scindias. The second floor contains memorabilia of the Yusuf family, whose pioneering efforts have resulted not only in the first on the west coast of India. Indian owned Shipping Company, but also the first Marine School and Marine Museum in India.

FATMABANU HOSPITAL :

Founded in the year 1915 for the benefit of the local inhabitants of Nhava in memory of the wife of Haji Ismail who died in Damascus in Syria in 1913. Over the years the Hospital has expanded considerably and today has the only air-conditioned operating theatre in the whole area, an X-ray section, Dental Unit and Pathology Laboratory. A fully qualified doctor is in attendance at all times. A small dispensary is also attached to the Hospital to cater to all normal requirements of medicines. The Hospital also conducts First Aid Courses for Merchant Marine Officers, and crew.

VALUABLES: Cadets are not permitted to keep more than Rs. 500/- in their possession.

Larger sums & valuables may be kept by them with their local guardians and withdrawn as and when required. The Training Ship is not responsible for any loss or theft of valuables.

DAMAGE TO PROPERTY :

Damages or loss to the Training Ship Rahaman's property due to negligence or otherwise committed by Cadets will have to be reimbursed to the Training Ship and the Captain Superintendent/Director CMCHS decision as to the amount payable will be final.

EXPULSION OF STUDENTS

If it is found that during the period of the training any Cadet deliberately and consistently flouts the rules and regulations of the establishment, or involved in any major acts of indiscipline the Principal may expel the student from the Training Ship Rahaman. In case the applicant for admission is found to have indulged in ragging in the past or if it is noticed later that he has indulged in ragging, admission may be refused or he may be expelled from the educational institution.

ACCIDENT OR DEATH :

The Management or Staff of the Training Ship Rahaman will in no way be responsible for any accident or injury suffered by any Cadets during the course of his training at Nhava. However, all Pre Sea Students are covered by a Group Insurance Policy covering only injuries sustained during bonafide training.
