Wadia family, the then Master Ship Builders of Bombay. The ground floor galleries are devoted to the History of Indian Shipping from the earliest days. There is also a gallery set aside for Marine Ecology. The first floor contains the history of the Bombay Steam Navigation Co., the Training Ship Rahaman and one gallery on the Story of Scindias. The second floor contains memorabilia of the Yusuf family, whose pioneering efforts resulted not only in the first Indian owned shipping Company, but

also the first Marine School and Marine Museum in India.

FATMA BANU HOSPITAL :

Founded in the year 1915 for the benefit of the local inhabitants of Nhava in memory of the wife of Haji Ismail who died in Damascus in Syria in 1913. Over the years the hospital has expanded considerably. Dental Unit and Pathology Laboratory. A small dispensary is also attached to the Hospital that caters for all general requirements of medicines. The Hospital also conducts First Aid Courses for Merchant Marine Officers, and crew. A fully qualified Residential Medical Officer is available in the Campus for 24 hrs.

VALUABLES: Cadets are not permitted to keep more than Rs. 250/- in their possession. Larger sums & valuables may be kept by them with their local guardians and withdrawn as and when required. The Training Ship is not responsible for any loss or theft of valuables.

DAMAGE TO PROPERTY :

Damages or loss to the Training Ship Rahaman's property due to negligence or wanton destruction by Cadets will have to be reimbursed to the Training Ship and the Principal's decision as to the amount payable will be final.

EXPULSION OF CADETS:

If it is found that during the period of the training any Cadet deliberately and consistently flouts the rules and regulations of the establishment, the Principal may expel the Cadet from Training Ship Rahaman.

ACCIDENT OR DEATH :

The Management or Staff of the Training Ship will in no way be responsible for any accident or injury suffered by any Cadet during the course of his training at Nhava. However, any injuries or disabilities sustained during bonafide training by any Pre Sea cadet are covered by the Institute through a Group Insurance Policy.

Further, be it noted that this institution fully and strictly complies with an anti-ragging policy as promulgated by the University Grant Commission (UGC). All applicants on being admitted to the institution are required to strictly adhere to said anti-ragging policy at all times during the training.

National Anti-Ragging Helpline: Phone No.1800-180-5522 and Email:
helpline@antiragging.in

SHORE - LEAVE :

Shore Leave is granted to Cadets once a week on Sundays from 0600hours until 2100 hours. to proceed to Mumbai, provided the Principal is satisfied with the trainee's conduct and behaviour. Only those Cadets who have submitted Parent / Guardian forms duly signed will be allowed to proceed on shore leave.

SERVICES:

LIBRARY:

A Maritime Reference Library is available for the use of the Cadets. Internet, e-mail Printing & scanning facilities are available in the Library on payment. Those desiring to use, should approach the Librarian.

LAUNDRY:

Laundry service is available on payment in the campus.

SURVIVAL AT SEA CENTRE :

Initiated in the year 1981 by the Directorate General of Shipping the first Survival at Sea Course designed to train seafarers in basic survival techniques at sea was launched on National Maritime Day with the training of a batch of seamen from Mogul Lines. Later in 1985 davits were added and the far more advanced courses in Proficiency in Survival Craft were also introduced for Officers of the Merchant Marine. The Establishment is a member of the International Association for Safety & Survival Training (I.A.S.S.T.) & Global Met.

MARITIME FIRE FIGHTING COMPLEX :

Inaugurated in Feb 1984 the first centre for training both Crew and Officers of the Merchant Marine in Fire Fighting Courses as stipulated by the STCW Convention of the International Maritime Organisation was established. It has on its grounds two double storey ship's mock-up structure where actual "Fire at Sea" conditions are simulated to give the trainees exhaustive training in prevention, control and fighting of fires.

MARINE MUSEUM :

Established in the year 1912 by the late Sir Mohamed Yusuf, India's oldest Maritime Museum was initially started as an institutional Museum attached to the Marine School. Over the years it grew into a full fledged Museum. It is housed in the residence of the late Haji Ismail who is reputed to have acquired it from one of the members of the famous

BRIEF HISTORY & BACK GROUND:

Established in the year 1910 as an Orphanage by the Late Haji Ismail Yusuf, it was converted to a Marine School and later a College by his eldest son Sir Mohamed Yusuf and has the unique distinction of not only being the first and the only one of its type in South Asia, but also the first to train Indians as Officers for the Merchant Marine. This Nautical Training Institute was later renamed as "Training Ship Rahaman" in 1972 by the Late Chairman (Emeritus), Mr. A. Rashid Yusuf, in memory of his father Mr. Abdul Rahaman, the first President of the Managing Board (and the eldest son of Sir Mohamed Yusuf). This pioneering establishment has over the last nine decades, served the Marine community with dedication. The Institution conducts Pre Sea Courses besides various other STCW Courses on its premises. The courses are recognised by the Directorate General of Shipping, Ministry of Shipping, Government of India."

AIMS AND OBJECTIVES OF THE COURSE :

This course is designed to assist a prospective navigating officer in achieving the minimum standards of competence for officers in charge of navigational watch on ships of 500 gross tonnes or more as specified in Regulation II/1, Table A-1 of STCW Code 1995.

This course is aimed at preparing Cadets to develop right attitude towards tasks and duties as ship's officer and in achieving the overall standard of competency required.

ELIGIBILITY :

(A) Educational: 10+2 with Physics, Chemistry and Mathematics (PCM) with not less than 60% aggregate marks from a recognized board or B.Sc. (PCM)/ B.Sc. (Electronics with physics as individual subject in one of the year) with marks not less than 55% marks in the final year or B.E./B.Tech from IIT/college recognized by AICTE with marks not less than 50%.

Note: English marks are to be 50% or more in any one of the above examination. In case of SC/ST candidates there will be a 5% relaxation in eligibility marks; however, it will not apply to English marks (by IMU).

(B) Age: Not more than 25 years on date of commencement of course. Age limit is relaxed 5 years for belonging to Scheduled Castes (SC) and Scheduled Tribes (ST), 3 years for OBC NCL and 2 Years for Female candidate on the date of commencement of the course.

(C) Physical Standards: As per Merchant Shipping (Medical Examination) Rules 2000 and Merchant shipping (Medical Examination) amendment rules 2016 as per D.G. Shipping Medical Certificate to be issued by D.G. Shipping Approved Doctors.

Eye Sight : Distance vision (unaided 1.0 (6/6) in better eye and 0.67 *(6/9) in other eye and normal colour vision shall be tested by Ishihara test chart from a DG approved doctor.

ADMISSION PROCEDURE :

each of about 23 weeks duration. Admission for this programme is offered twice a year in February and August. IMU will invite applications through advertisements in national dailies detailing all relevant information, criteria for admission, last date for submission of forms and a list of the training institutes which are approved by DGS & IMU to conduct the Course. Candidates have to clear IMU Combined Entrance Test (CET).

Prospective cadets who apply to the institute will be sent to shipping companies for selection / sponsorship. Those selected by the companies will be accepted for training, subject to clearing IMU CET.

The Cadets may please note that after successful completion of Stage 1 of the training programme, they are required in Stage 2 to complete the distance-learning programme SSTP at sea while actually staying on board a ship. Training Institute will liaise with IMU for delivery of the SSTP to the Cadet serving on board a ship.

The Training Institutes approved by DGS / IMU on behalf of IMU may admit Cadets sponsored by Shipping Companies. In case of sponsored Cadets, the Training Institutes are required to collect the duly completed forms from the Cadets and send them to IMU with the requisite fees and complete the enrolment formalities.

LOCATION & DURATION OF THE COURSE

This is a residential course held at the Training Ship Rahaman's Nhava campus and is of 46 weeks duration. The training programme will also include on vacation training / projects. Cadets are accommodated in a hostel with cabins on sharing basis and are required to stay in the campus throughout the period of training. Meal timings are displayed on the Catering Department notice board and must be strictly adhered to.

SCOPE

A Pre-Sea Navigating Officer Cadet successfully completing semesters 1 and 2 would acquire basic knowledge and understanding of the types of merchant ships, ship operations, types of goods carried by ships, shipping trade, and a foundation in the basic principles of navigation and environmental science.

The scope of the course includes:

- ~ Theory and practice of seamanship and ship knowledge.
- ~ Good foundation in principles of navigation and introduction to Astronomical Navigation.
- ~ Practical knowledge of chart work and cargo work.
- ~ Detailed study of atmosphere and use of meteorological instruments in connection with weather reporting.
- ~ Knowledge of ship construction and ship stability.
- ~ Regular practices in Morse code signalling, in addition to International Code of Signals and use of VHF and R/T.
- ~ Practical training in handling a lifeboat and motorboat.
- ~ One Project related to shipping industry to be undertaken.
- ~ Knowledge Study of environmental protection with reference to MARPOL 73/78.
- ~ Knowledge Study of various IMO courses.

- ~ Knowledge Study of basic Marine Engineering and drawing.
- ~ Practical training in carpentry shop, plumbing shop, machine shop, electrical shop and maintenance workshop including Electric Arc welding and Gas welding, Hydraulics, Pneumatics and Diesel Engine maintenance.

The Program is divided in three stages –

Stage	Semester	Duration	Teaching Method	Award of qualification
Stage 1	Semester 1 & 2	12 months	Contact program	Diploma in Nautical Science (IMU)
Stage 2	Semester 3, 4 & 5	18 months	Distance Learning	SSTP completion certificate
Stage 3	Semester 6	4 months	Contact Program	BSc (Applied Nautical Science) Degree (IMU) Certificate of Competency (COC) by D.G. Shipping.

All Cadets are required to complete the following mandatory courses during the training period :

- ~ Personal Survival Techniques, (PST)
- ~ Fire Prevention & Fire Fighting, (FPFF)
- ~ Proficiency in Elementary First Aid, (EFA)
- ~ Personal Safety and Social Responsibilities. (PSSR)
- ~ Security Training for Seafarers with designated security duties

All Instructions are imparted in English.

Physical training, parades and sports are part of the curriculum and are mandatory.

EVALUATION:

All Cadets are required to ensure 90% attendance and pass in mid semester & semester end exams for each subject. Schedule of class evaluation and grading system will be as per the norms set by the Training Ship & IMU. The examination will be conducted in English medium at IMU designated centres.

IMU will set question papers & appoint examiners for the theory as well as practical examinations. The answer scripts for the theory papers are sent to IMU headquarters for evaluation & the results will be declared by IMU.

SEA SERVICE :

On successful completion of the course, all Cadets will be given a certificate for having successfully completed the One Year Pre Sea Deck Cadet Course as per IMU - DGS Project for award of a Diploma in Nautical Science.

Training Ship Rahaman will process documents of the Cadets for the issue of Continuous Discharge Certificate (CDC) i.e. Seaman's book with the Office of the Shipping Master, Mumbai. This process takes about two to three months, however only those student who pass sem I & II term end exams are eligible to receive it.

UNIFORMS :

All Cadets are required to wear maintain, details are as given in List "A" of the Application form. In order to maintain a standard pattern, uniforms will be stitched and supplied by Training Ship Rahaman. Journals, notebooks and professional supplies will be issued by the Institute at commencement of the course. Personal clothing, toiletries, etc. required to be brought by the Cadets are given in the List "C" of the Application form.
