Dear Swetha madam ,

Good evening , email in reference to July 2024 GP girls' admission .

The course will start on 1st of July, and we need to close the admission before 5th of June which was intimated to your good office. After the closing date, we need to

make sure that the student has passport , valid medical document and all the requested documents for admission as per DG shipping regulations .
Till date we don't have any information regarding girls admission and we need to close slots by this Saturday otherwise we will be losing seats which will be a financial loss to the institute.
I request you to please confirm the number of girl students for this batch by tomorrow evening so that we can do the necessary paperwork for admission. The other girls who are selected can be pushed to the next batch so that all the paperwork from your end can be done in due course. The next batch starts from 1st of January 2025.

Awaiting your reply.

Thanks and thanks
